STUDENT ACCEPTABLE USE AGREEMENT

Mobile Phones:

Mortlake College recognises that mobile phones are an important means of communication and that many parents have provided students with mobile phones. Whilst the College permits certain students to have mobile phones at school, it is recognised that they can be disruptive to the learning environment, and often used inappropriately.

We acknowledge there are occasions when it is appropriate and beneficial for students to have access to a mobile phone. However, our school discourages the bringing of mobile phones to schools by all students.

Headphones, earphones or earbuds are also a distraction to learning when not used according to teacher instruction for a specific, tasks, and the inability of a student hear what is going on around them may also pose a safety risk, especially in the event of an emergency. These devices may only be used at teacher discretion during class time.

Students and parents therefore need to be aware of the following requirements in regards to Mobile Phone Use and the use of headphones, earphones or earbuds. These requirements are to ensure that these items do not disrupt learning or the safe environment of our school and students within.

1. Students in Years Foundation to Year 12 are **not** permitted to have mobile phones **on their person** at school during the day from 8.55am to 3.20 pm. Students who bring a mobile phone to school must keep them on silent or turned off either in their locker, school bag or stored in the secure lockers outside the General Office for secure safe keeping.
2. All teachers are given full jurisdiction to confiscate a student's mobile phone, and or wearable devices such as the Apple Watch, or headphones
 - a. where at any point in time a student in years F-12 is found to have been using the device in contradiction to this policy
Students who, in the opinion of the responsible teacher, breach this policy are required to surrender the device/s immediately.
3. Our school reserves the right to prohibit students from bringing mobile phones into certain spaces or during certain activities e.g. excursions, school camps, sports days, etc.
4. The principal may revoke a student's privilege of bringing or using a mobile phone whilst at school.
5. Mobile phones owned by students and staff are brought to school at their own risk. The College will not compensate damaged, lost or stolen personal mobile phones.
6. Mobile phones brought to school must never be loaned to other students.
7. Parents needing to contact students during the school day **MUST** do so via the General Office.
8. Confiscated phones will be placed in the General Office for safekeeping, and may only be collected at the end of a school day.

- For a first offence, students can collect their phone at the end of a school day, or the following day, before school starts.
- Second offence the student will be able to collect phone at the end of a school day or the following day, before school starts and teacher who confiscates phone will call parent and inform them of the offence.
- Where a phone has been confiscated for a third offence, parents will be notified to ensure arrangements are made for after school phone collection purposes.

9. Appropriate action, according to our Student Engagement Guidelines will be taken against any student who;
- uses their phone (or allows others) to take images or record another person without their consent
 - makes harassing or threatening calls, sends harassing, threatening or inappropriate messages, or allows others to use their phone to do so.
 - Refuses to hand over their phone (or other electronic device) for confiscation.

10. Students who receive inappropriate material, or whom feel they have been a victim of harassment or bullying in any form, are encouraged report it immediately to a trusted adult, who may then notify the AP, or Principal of the matter. We especially encourage this to occur during school hours.

11. Where deemed appropriate (e.g. there may be any unjust or inappropriate messages or pictures suspected to be on the phone) the school reserves the right to confiscate the phone and will seek for the student to show the content being questioned. Where a student refuses to share any content on their phone, parents will be contacted immediately. It is noted that it is a criminal offence to use a mobile phone to menace, harass or offend another person. As such, if action as sanctioned by the school is deemed ineffective, as with all such incidents, the school may consider it appropriate to involve the police.

12. In accordance with the Departments Mobile Phone Policy issued by the Minister for Education, personal mobile phones must not be used during schools hours, including lunchtime and recess, unless an exemption has been granted.

(Refer to [DET PAL - Mobile Phones](#) for full exception details) Where a students has been granted an exemption, the student must use their mobile phone ONLY for the purpose by which the exception was granted, and in a safe, ethical and responsible manner.

This Acceptable Use Agreement also applies to students during school excursions, camps and extra-curricular activities.

I acknowledge and agree to follow these rules. I understand that my access to mobile technology at school will be renegotiated if I do not act responsibly.
